

Darlene's Floral Designs

Designs for flourishing events

Wedding floral design consultation

I can offer a wedding consultation service inspired by each client, to assist in planning bridal bouquets and floral designs specific to your requirements. At a consultation I aim to inspire and guide you through the variety flower choices, seasonal availability, colours and themes, to achieve creative, beautiful bouquets and designs especially for your wedding day.

Venue design

I can also offer:

- Head table, table designs, frames, centre and entrance pieces, and garlands
- Customised vases/containers and themed accessories
- Table dressing and local venue decoration, (availability allowing)
